## Mexico Visa: Not required for holders of valid US Visa

All travelers of any nationality holding a valid USA visa do not need to obtain a Mexican visa (or consular stamp in the case of Malaysian citizens). This is applicable for those people whose purpose of traveling is tourism, business or transit. The Mexican Immigration authorities at the point of entry in Mexico (airport - border - port) will verify the validity of the USA visa and the passport presented, and thereafter will grant the entry to Mexican territory.

In the case of not having any valid USA visa:

### Malaysians:

Malaysian citizens traveling to Mexico must obtain a consular stamp in order to enter Mexico:

- Consular stamp - validity of only 90 days, multiple entries, free of charge.
- Visa - for stay more than 90 days - it is necessary to apply for a visa (fee: US\$36.00) with validity up to 10 years.

\*\*Malaysians in possession of diplomatic and official passport do not require a visa or consular stamp and are entitled for stays of 90 days\*\*

### Non-Malaysians:

Details will be provided upon inquiry.
